

**SECOND SUNDAY IN LENT**

With three chosen disciples, Jesus went up the mountain. Then he was transfigured by a wonderful light that made even his clothes seem to shine. Moses and Elijah stood by him and spoke with him of how he was going to complete his task on earth by dying in Jerusalem. They spoke of the mystery of his incarnation, and of his saving passion upon the cross. Moses and Elijah did not simply appear in silence; they spoke of how Jesus was to accomplish his task by dying in Jerusalem, they spoke of his passion and cross, and of the resurrection that would follow. Only the initial stage of the divine plan had as yet been accomplished. Until its completion, was it likely that Christ, who came on earth for love of the world, would give up his wish to die for it? For his submitting to death was the world's salvation, and his resurrection was death's destruction.

**RIGHT TO LIFE**

A federal judge has upheld a South Dakota law requiring doctors to inform patients that abortion kills a human being. The law mandates that a woman be told that abortion "will terminate the life of a whole, separate, unique, living human being." Planned Parenthood had sought to overturn the law.

**SUGGESTED PRAYER**

*That those who have followed the false god of earthly possessions to work in the abortion industry may see the error of their choice and repent, we pray.*
